SACRED BASIL

ABOUT US

ROOTED IN PURPOSE. DRIVEN BY CARE.

Sacred Basil is a doctor-led brand where authenticity, quality and intention come first.

Led by Ayurveda Practitioner **Parita**, who runs her Ayurvedic clinic in Pune, and Dentist **Ananya**, who works with a well-established and well-reputed dental clinic in Hyderabad, we bring together our knowledge and passion to create Ayurvedic-based products that truly care for your well-being.

We are committed to offering handcarfted, effective and safe formulations that blend the wisdom of Ayurveda with modern lifestyle needs.

Sustainable, earth-friendly and thoughtfully designed — our products are as gentle on the planet as they are on you.

Started this Diwali 2025, we sold **60 kits** as a pilot and the response was truly heartening. Now, we're here to bring joy and intention to Diwali gifting for many more.

Our Aim

To make Ayurvedic wellness a beautiful part of everyday life through products that are honest, effective and made with care.

Our Previous Work

SACRED BASIL

OUR PREVIOUS WORK

CRAFTED WITH CARE. LOVED BY MANY.

Diwali 2025 marked the beginning of our journey. We created our first set of handcrafted wellness kits and thoughtful returns as a pilot to understand what truly matters – quality, authenticity and the joy of giving.

We are happy to share that we have sold 60 Diwali kits along with a variety of customised favors for birthdays, baby showers, naming ceremonies and other special occasions. The love and appreciation we received has been truly heartwarming.

This motivates us to continue creating with even more intention – to bring authentic, Ayurvedic-inspired wellness and meaningful connections to more celebrations ahead.

THANK YOU FOR BEING A PART OF OUR BEAUTIFUL BEGINNING.
